The project is located within the boundaries of the Granada Sanitary District located in the County of San Mateo, California, encompassing the communities of El Granada, Princeton, Princeton-by-the-Sea Clipper Ridge, Miramar, and the northern portion of the City of Half Moon Bay (from Frenchman's Creek north

Project Location (include county)

Project Description:

The project involves action by the Board of Directors of the Granada Sanitary District on a resolution to submit an application to LAFCO for reorganization of the Granada Sanitary District by dissolution of the Granada Sanitary District, and formation of the Granada Community Services District. The purpose of the project is to establish the Granada Community Services District with legal authority pursuant to California Government Code Section 61600 and following to exercise the powers of a community services district for the purpose of providing public recreation, in addition to the existing Granada Sanitary District services for sewage collection, treatment and disposal, and garbage and refuse collection and disposal. The provision of public recreation will occur in a Zone outside those portions of the District lying within the jurisdiction of the City of Half Moon Bay and may include, but will not be limited to, acceptance or acquisition of property, creation of community or neighborhood parks (including facilities and equipment), and operation of recreation programs. No specific project(s) are proposed at this time, and should project(s) be proposed in the future each would be subject to CEQA review to the extent required by law at the time proposed. The boundaries of the proposed Granada Community Services District encompass the same geographical area as the existing Granada Sanitary District.

This is to advise that the Granada Sanitary District has approved the above described project on ☒ Lead Agency ☐ Responsible Agency

_____ and has made the following determinations regarding the above described project:
(Date)

1. The project [☐will ☒will not] have a significant effect on the environment.
